Florida Motion & Control provides product knowledge, customer solutions, technical assistance and the most comprehensive inventory of motion control products in Florida.

Hydraulic

- Oilgear pumps and motors
- Continental pumps & valves
- Tobul Accumulators
- Piston, vane & gear pumps
- Directional & proportional valves
- Hydraulic Power Units off-the-shelf or built to order
- Oildyne compact power units
- Barksdale valves & sensors

Pneumatic

- Valves & valve manifolds
- ISO and NFPA cylinders
- Rodless actuators & slides
- Vacuum components
- Rotary actuators
- Regulators & filters
- Grippers
- Air amplifiers
- Tubing, connectors, & flow controls

Process Filtration

- Domnick Hunter food & beverage filters
- Compressed air purification
- Dessiccant and refrigerant air dryers
- Coalescing and particulate filters
- Filters for aseptic applications

Instrumentation & Accessories

- Testo Emission analyzers
- O₂, CO, CO₂, NO, NO₂, H₂S
- Ideal for testing Engines, Furnaces, Boilers, Turbines
- Pre-calibrated sensors
- Thermal imagers, 0.1° C
- 33 Hz for dynamic imaging
- Digital video boroscopes
- Testo instrumentation for food quality safety

Gauges & Sensors

- GEMS Sensors
- NoShok gauges
- DataSensor photoelectrics
- Vacuum sensors
- Digital indicators
- Pressure switches
- Linear transducers
- Color sensors
- Flow sensors
- Level sensors

PLCs, Switches, Power Supplies, Ethernet Switches

- 12/24/48 vdc, 115/230 vac DIN rail mount power supplies
- IDEC SmartRelays and PLCs
- Standard & safety relays
- Photo, ultrasonic, color sensors
- HMI Touchscreen panels
- Safety switches & light curtains
- Industrial Ethernet Switches Marine & IP67 versions

Hose & Connectors

- Hydraulic hose & fittings
- Air & water hose
- Thermoplastic hose, fittings & couplers
- Teflon hose & fittings
- Tube fittings & adapters
- Brass fittings & plastic tubing
- Quick couplers
- Ball valves

80/20 Extrusion

- Guarding & Enclosures
- Pro-Line Workstations
- Automation & Linear Motion
- Exhibits & Displays
- Furniture
- Material handling
- Widest choice of panels
- Custom machined parts
- Quick turnaround
